

Volunteer, Donation, and In-Kind Distribution Form

Please fill out this form to record donations of volunteer hours worked, donations to your church, donations your community received to help rebuild the community or church, or in-kind disaster supplies distributed through your church/community efforts. This can include all hours donated to your community, your church, or other non-profit.

Please fill out this for each project worked by location: Either a building, parish, city, or community.
